

# FOOD & NUTRITION

## CANADIAN PRODUCT LINE

### Acidulants

#### **ADM**

Citric Acid  
Potassium Citrate  
Sodium Citrate

#### **Corbion**

Lactic Acid and Derivatives

#### **FBC Industries**

Liquid Anti-Microbial and Preservatives

#### **PMP Fermentation Products**

Gluconic Acid  
GluconoDelta-Lactone

### Active Nutritional Ingredients

#### **Ajinomoto Inc.**

Amino Acids

#### **ADM**

Phytosterols  
Soy Isoflavones

### Antioxidants

#### **ADM**

d-Alpha Tocopherols (Vit E)  
Mixed Tocopherols

#### **Nexira**

Botanical Extracts

### Bakery Specialties

#### **Balchem Corporation**

Dough Conditioners  
Leavening Systems  
Shelf Life Extenders

#### **Corbion**

Emulsifiers  
Enzymes Blends  
Functional Blends  
Mold Inhibitors

### Chocolate

#### **Blommer Chocolate Company**

Dark, Milk and White Chocolate  
Compound Coatings

### Chocolate – Continued

Cocoa Powder  
Chocolate Liquor

### Colourants

#### **ADM**

Natural Colours (Liquid and Dry)

#### **Divis Nutraceuticals**

Carotenoids

#### **Dystar**

FD&C Dyes and Lakes

#### **EMD**

Pearl Effect Colours

### Dairy Ingredients

#### **FBC Industries**

Calcium Chloride  
Dipotassium Phosphate

#### **FrieslandCampina**

Calcium Caseinate  
Sodium Caseinate

#### **Saputo**

Lactose  
Skim Milk Powder  
Whey Powder  
Whey Protein Concentrate

#### **Vilutis**

Cheese Liners

### Emulsifiers & Texturizers

#### **ADM**

Bean Powders, Grits and Pieces  
Canola/Rapeseed Lecithin  
Corn Starch (Modified & Unmodified)  
Rice Flour  
Sorghum Flour  
Soy Flour  
Soya Lecithin  
Sunflower Lecithin (Liquid)  
Tapioca Starch (Modified & Unmodified)  
Wheat Starch (Modified & Unmodified)

#### **Austrade Inc.**

Organic Lecithin  
Sunflower Lecithin (Deoiled)

### Emulsifiers & Texturizers – Continued

#### **Corbion**

Dough Conditioners  
Mono and Diglycerides  
Sodium Stearoyl Lactylate (SSL)

#### **CP Kelco**

Microparticulated Whey Protein Concentrate  
Sugar Beet Pectin

#### **Emsland**

Clean Label Starches  
Pea and Potato Starch  
Potato Flakes and Granules

#### **J. Rettenmaier USA LP**

Clean Label Specialty Starches

#### **Nexira**

Acacia Gum

### Encapsulated Ingredients

#### **Balchem Corporation**

Acidulants  
Caffeine  
Choline  
Dough Conditioners  
Flavour  
Leavening Agents  
Nutrients  
Preservatives  
Salts

### Enzymes

#### **Novozymes**

Acrylamide Mitigation  
Baking Improvement & Fresh Keeping  
Cheese Flavor Production  
Egg Yolk Emulsification Enhancements  
Fruit & Vegetable Firming  
Fruit, Grain, Starch & Vegetable Processing  
GAG Extraction  
Lactose Reduction in Dairy  
Noodle & Pasta Firming  
Oil & Fat Processing  
Protein Modification  
Savory Flavor Development

## Fibres

### **ADM / Matsutani LLC**

Maltodextrin (fibre)

### **J. Rettenmaier USA LP**

Apple and Orange Fibre  
Cellulose Powder  
Microcrystalline Cellulose  
Oat Fibre (Organic and Conventional)  
Pea Fibre  
Potato Fibre  
Psyllium Fibre  
Rice Fibre  
Soy Fibre  
Sugarcane Fibre  
Wheat Fibre

### **Nexira**

Acacia Gum

## Filtration Aids

### **J. Rettenmaier USA LP**

Cellulose Filter Aids  
Press Aids

### **IMERYS Filtration Minerals**

Diatomaceous Earth  
Perlite

## Flavours & Inclusions

### **Austrade**

Coconut Milk Powder

### **Balchem Corporation**

Bakery inclusions  
Beverage flavour systems  
Ice cream inclusions

### **Firmenich**

Encapsulated Specialty Flavours  
Flavour Modifiers  
Natural and Artificial (Liquid and Powder)  
Vanilla flavours and extracts

### **Solvay**

Vanillin and Ethyl Vanillin

## Flow Agents & Anti-Caking Agents

### **J. Rettenmaier USA LP**

Anti-Cake Blends and Cellulose Powder

### **Evonik**

Calcium Silicate  
Fumed Silica  
Precipitated Silica (Silicon Dioxide)  
Sodium Aluminosilicate

## Gelatin

### **GELITA North America**

Collagen Bioactives and Hydrolysates  
Hide Gelatin -Type B  
Leaf Gelatin -Gold  
Porkskin Gelatin -Type A

## Hydrocolloid Gums

### **CP Kelco**

Carrageenan  
Cellulose Gum  
Gellan Gum  
Gum Blends  
Pectin  
Refined Locust Bean Gum  
Xanthan Gum

### **Dabur**

Guar Gum

### **J. Rettenmaier USA LP**

Alginates (Calcium, Sodium, Potassium)  
Colloidal Cellulose Gel  
Hydroxypropyl Methyl and Methyl Cellulose

### **Nexira**

Acacia Gum

### **Polygal AG**

Gum Karaya  
Gum Tragacanth  
Locust Bean Gum

## Oils, Diluents & Humectants

### **ADM**

MCT Oil (Liquid and Powder)  
Propylene Glycol -Vegetable Based

### **IMCD Canada Limited**

Canola Oil (All Types)  
Coconut Oil (All Types)  
Olive Oil (All Types)  
Glycerine (Palm, Vegetable & Tallow)  
Mineral Oil  
No/Low Trans-Fat Oils & Shortenings  
Palm Oils (All Types)  
Pan Release Agents  
Safflower Oil (All Types)  
Soybean Oil (All Types)  
Specialty Oils and Blends  
Sunflower Oil (All Types)

## Proteins

### **ADM**

Pea Protein Concentrate  
Soy Flour and Grits  
Soy Protein Concentrate and Isolate  
Soy Protein and Bean Crisps  
Textured Soy Protein (TVP)  
Wheat Gluten (Vital)  
Wheat Protein Isolate  
Whole Bean Pieces, Powders and Grits

### **Austrade**

Almond Protein  
Chia Protein  
Coconut Protein  
Cranberry Protein  
Golden Flax Protein  
Lupine Protein  
Pomegranite Protein  
Pumpkin Protein  
Sunflower Protein

## Proteins – Continued

### **CP Kelco**

Microparticulated Whey Protein Concentrate

### **Emsland**

Pea Protein

### **FrieslandCampina**

Calcium Caseinate  
Sodium Caseinate

### **GELITA North America**

Collagen Hydrolysates  
Hydrolyzed Gelatin

### **Saputo**

Whey Protein Concentrate

## Salts

### **Balchem Corporation**

Choline Chloride

### **Cargill**

Potassium Chloride  
Salt (Flour, Flakes, Table, Granular)  
Sodium Reduction Systems

### **Evonik**

Potassium Carbonate and Bicarbonate

### **FBC Industries**

Calcium Chloride Solution

## Stabilized Brans & Germs

### **J. Rettenmaier USA LP**

Stabilized Bran (Cord, Oat, Wheat)  
Stabilized Wheat Germ

## Seeds, Grains & Fruits

### **ADM / Specialty Commodities**

Amaranth  
Chia  
Coconut  
Flax  
Millet  
Quinoa  
Seeds (Pumpkin and Sunflower)

## Sweeteners

### **ADM**

Crystalline Fructose  
Dextrose  
Erythritol  
Glucose Syrup/Solids (Corn and Tapioca)  
High Fructose Corn Syrup  
Honey Malt and Molasses Powder and Flakes  
Maltodextrin (Corn and Tapioca)  
Sorbitol (Crystalline Solution 70%)  
Sucralose

### **Austrade Inc.**

Dextrose (Non-GMO)  
Corn Syrup (Non-GMO)  
Crystalline Fructose (Non-GMO)
