Wood Coatings

No two pieces of this biopolymer composite are alike. This is nature's ever changing substrate, and at L.V. Lomas we understand the many challenges it can present. Our team has decades of specialized experience in helping wood coatings formulators design the solutions required to meet the most stringent requirements.

Below you will find a list of solutions which L.V. Lomas supplies to the Wood Coatings industry. All products are of the highest quality and sourced from the world's leading manufacturers.

Function	Solution
Abrasion Resistance	Aluminum Oxide, Nepheline Syenite, Ceramic Spheres
Additives	Foam Control, Flattening, Adhesion Promoter, Pigment Dispersion Agents, Lecithin
Catalysts	Low Colour, Metallic, Tin and Tin free, Anti skinning
Filtration	Bags, Cartridges, Screens, Housings
Flow and Penetration	Silicone surfactant, Fluorosurfactant
Functional Extenders	Clay, Talc, Barium Sulphate, Calcium Silicate, Silica, Calcium Carbonate, Mica
Oils	Linseed, Tung, Castor, Soyabean, Mineral, Petroleum
Packaging	Metal and Plastic: Pails, Gallons, Quarts, Pints. UN and non UN
Pigment Dispersions	Organic, Inorganic, Solvent based, Zero VOC, Universal
Pigments	Transparent Iron Oxide, Iron Oxide, Carbon Black, Organic, Special Effect, Titanium Dioxide, Organic
Plasticizers	Zero VOC Coalescent, Phthalates, Phthalate free ester, Epoxidized Soyabean Oil
Preservatives	Anti Microbial, In-Can Preservative, Metal Carboxylates
Resins - Water Based	Zero VOC Alkyd Latex, PUD, Oil Modified Urethane, Acrylic Latex
Resins - Solvent Based	Acrylic, Alkyd, Urethane, Moisture Cure Urethane, Hydrocarbon, Maleic modified Resin, Castor Polyol, Epoxy
Solvents	Renewable source Propylene Glycol, Zero VOC Solvents, Methyl Ester, D'Limonene, Pine Oil, Ethyl Lactate
U.V. Protection	HALS, U.V. Absorber, Patented Lignin Protector
Viscosity Modifiers	Fumed Silica, HEUR, Cellulosic, Attapulgite Clay, Hydrocolloid, Organophilic Clay

These are just some of the hundreds of solutions we can bring to your business. Call your L.V. Lomas representative today and start converting your challenges into flawless products.

Proudly representing our Principal Partners in the Wood Coatings industry.
